A black and white line drawing of a house elevation. The house has a gabled roof with a chimney on the left side. There are two small rectangular windows in the upper part of the front facade, and a larger rectangular window with a double frame in the center. To the left of the house, there is a set of stairs leading up to a small platform. To the right, there is a balcony with a railing. The drawing is simple and uses only outlines.

Architectural drawing of a building facade, showing a gabled roof and a multi-story structure. The drawing includes dimensions and handwritten notes:

- Roof slope dimension: 35.87
- Roof peak dimension: 38.87
- Handwritten note: "belygner" (indicates a sign or marker)
- Handwritten note: "Gleim" (likely a name or location)
- Vertical dimensions on the right side: 2.20 , 2.60 , 2.70 , and 2.10
- Horizontal dimension on the left side: 29.60

A hand-drawn architectural floor plan of a house. The plan includes the following rooms and features:

- rum** (room) at the top left, with a staircase leading up.
- till upplag 3 st. 2' x 6'** (to storage 3 stories 2' x 6')
- B, DIP 18** (B, DIP 18)
- till upplag 1st. UP 20 1m. läng** (to storage 1st. UP 20 1m. long)
- serv. rum** (service room) in the center, with a staircase leading up.
- kök** (kitchen) on the left, with a staircase leading up.
- entré** (entrance) in the center, with a staircase leading up.
- hall** (hall) on the right, with a staircase leading up.
- skt.** (sketch) on the left, with a staircase leading up.
- Dimensions:**
 - Overall width: 6.12
 - Overall height: 9.60
 - Room width: 3 st. 3' x 8'
 - Room width: 3 st. 2' x 6'
 - Room width: 1 st. UP 20 1m. läng
 - Room width: 3 st. 3' x 8'
 - Room width: 3 st. 2' x 6'
 - Room width: 1 st. UP 20 1m. läng

The floor plan for the second floor (2. etage) includes a balcony (balkong) at the top. Below it are two bedrooms (rum) separated by a vertical wall, each with a double-headed arrow indicating its width. A staircase is located in the center, with an arrow pointing down to the first floor. To the left of the staircase is another bedroom (rum). To the right of the staircase are two bedrooms (rum) stacked vertically, each with a double-headed arrow indicating its width. Below these are a bathroom (badrum) and a toilet (w.c.). The plan also shows various doors, windows, and structural walls.

Diagram illustrating a plot of land with two buildings, labeled № 32 and № 33. The plot is bounded by a dashed line. Dimensions are indicated in meters:

- Top boundary: 3.34
- Right boundary: 6.35
- Left boundary: 22.92
- Bottom boundary: 13.70
- Right boundary (extending from the bottom): 23.75

An arrow points towards the top left corner of the plot.
